

Intentionality & Visualization

For The Healing Process

Extensive research has been conducted around the world scientifically documenting the power of intentionality and visualization by people like Wayne Dyer PBS, Larry Dossey MD, and reported by Lynne McTaggart and others. This experiential workshop emphasizes practical easy to use time proven Native American traditions as well as validated New Age approaches to increase the results you get when working on yourself, your loved ones and clients. Learn how to incorporate what you learn with you healing practice.

About Your Instructor - Lisa Chan started studying with Deepak Chopra in 1993, traveled as far as Siberia, Mongolia, Belize and Brazil, to study and witness miraculous healing that can not be explained by Western Science. Lisa is a graduate of ClearSight school of intuitive clairvoyance, completed six years of study at the Foundation for Shamanic Studies, four years of apprenticeship in psychic healing, years of work with a Chinese Qi Gong Master and is second degree Reiki. Besides being the Academy's senior instructor in Los Angeles, Lisa has an "alternate private practice" in aura, chakra and space clearing as well as leading drumming circles, teaching shamanic journeying, doing shamanic healing and soul retrieval and is currently in Acupuncture college.
