Unique To The Spa Industry**

The Spa Industry is exploding, rapidly growing in hotels, vacation resorts, skin care, fitness, wellness, medical, and beauty centers of all types, creating a growing need for well trained Reflexologists. People who go to spas tend to be quite knowledgeable, and expect quality Foot Hand Ear Reflexology, not just a good rub. Students will learn how to apply **Foot, Hand, and Ear Reflexology specific to the Spa setting**, with emphasis on sensory richness through the use of specific oils and lotions, fragrances, sounds, and delicious yet profoundly relaxing nurturing touch techniques for the feet, hands, & ears; soaking feet in foot baths of different types, and the latest equipment & developments in the spa industry.

About Your Instructor: Lisa Chan earned her Full Reflexology Certificate from the American Academy of Reflexology in 1991 and has been teaching Academy Foot Hand Ear Reflexology classes in various parts of California since 1995. Lisa hosted her own cable TV show called *Healers on Healing*, teaches the 150 Hour Integrated Foot Hand Ear Reflexology Professional Certificate Course; Infant, Child, Teen Reflexology, other Continuing Education specialty classes, and is author of the *Reflexology Coloring Book*.
