## Microsystems Reflexology From Around The World

- China** Learn to work with the fascinating Reflexology Map on the **2nd Long Bone** (metacarpal), below the index finger, that is used by Doctors in Medical Clinics in Taiwan, China.
- Korea** For over 25 years, professional healers in Korea have worked with a Reflexology Map that is **Completely on One Foot**, and **One Hand** (not both feet and both hands). These maps explain some of the tender spots on feet and hands, that are not explained by the Western maps.
